We are one of the well-distinguished companies in the market for **Manufacturer** and **Suppler** of the wide assortment of Shrink Wrapping Machine, PET Blow Moulding Machines, Bottle Labelling Machine, Sugar Filter Press etc.

About Us

We, Santosh Engineering Works from **1996** are one of the famous **Manufacturer** and **Supplier** of an extensive array of **Shrink Wrapping Machine, PET Blow Moulding Machines, Bottle Labelling Machine, Sugar Filter Press** and many more. These products are designed with the use of best quality materials. Our products are appreciated for their features like longer life, easy to use, sturdy designs, many sizes available, and defect-free nature. Additionally, as per the diverse needs of the patrons, these products are also available in both standards as well as in modified options.

We pay utmost attention to the quality as this is the main factor on which our company is based. We are supported by a spacious infrastructure facility. We have installed highly advanced tools and machinery in our manufacturing unit. Also, we are divided into different teams that take care of all the processes of designing, manufacture, quality check, and control. In addition to this, the proficiency of all our teams and their business endeavors help us in bringing out a range of excellent quality products.

Our mentor **Mr. Ram Yadav** has guided us to be able to reach such heights. His ability to understand ongoing market trends, managerial skills and ability to make good decisions, has been our most valuable asset to grow rapidly.
